Users who viewed Tarnished Knight in the last 30 days Tired of having the same, unimaginative equipment? That has never been an issue for you. You've never played a fantasy RPG that truly offered up a vast world where you were free to create your own equipment. And that was always a bothersome limitation for any RPG-based F2P game. That is, until now. Tarnished Knight is a new fantasy action RPG that allows you to build your own equipment as you fight to advance your character in the Lands Between. Combat starts out simple, but as you advance, the battles become more challenging. Your equipment is the only way to physically get stronger, so you'll have to fight like crazy until you've crafted your ideal equipment! While playing, you can earn Vexin to buy equipment and even increase levels as you level-up. Use the Vexin you've acquired to customize your equipment and increase your strength! Enjoy a Fantasy Action RPG Experience with Tarnished Knight's Character Customization Always want a different weapon? Enjoy more customized weapons with a different appearance as you gain experience, even while you are away from the game. With a huge world and hundreds of dungeons filled with the most complex designs, Tarnished Knight is truly an RPG that offers you unlimited possibilities and never gets old. #2/4 on Japan's App Store and the #3 Fantasy RPG on Google Play Game like no other fantasy RPG on the market! ?Neo Tokaido Shopping - Tetsu Inamura The scenario of which all the heroines who passed through the Tokaido road were cleaned up by the title character when playing the hunting and farming hobby. ?1 No Smoking Traveling is to kill bad guys of course, but to focus on putting food on your table, and your family, don't forget. ?Development by the CEO of the smartphone brand "iPhone" ?Prologue: The first and only RPG for Android that went through the development of the iPhone OS. It is the first RPG for iOS released in Japan. ?Many players comment: "It is good to play the game in Japan but it is a shame this game is not made in Japan. It has been so long since the RPG game made in Japan is released in the world. Let's make an RPG game that can compete with big titles. Let's make
