Going "green" isn't just about making your home be more environmentally friendly, it's about
keeping your home clean and comfortable and doing so without using as many chemicals as
possible. Here are some tips for reducing chemical-laden cleaning products. 1. Use biodegradable
sprays If you're doing some spring cleaning, you may end up with an excess of cleaning products.
While these powerful sprays are pretty nice, they 648931e174
